Vacuum pump oil type OIL128

Application

OIL128 – Vacuum Pump Oil Gallon

A full quart of our premium oil.

Perfect for our pumps.

As an HVACR technician, you expect your oil to perform at the highest level every time. Our one-quart container of vacuum pump oil, OIL128, is formulated to function in all the latest vacuum pump models – VPX7, VP87 and VP67. It will help you quickly pull vacuums in any condition while also ensuring seals are tight and well-lubricated.

- 3.8 liter (one-gallon) of vacuum pump oil
- Low vapor pressure ideal for pulling vacuums
- Wide temperature range helps oil perform in any conditions
- Highly refined for consistent performance
- Ensures proper sealing and lubrication
- Designed to work with our RunQuick® Oil Change System
